1 Contributions are made prior to tax withholding.

2 Contributions are made after tax withholding.

3 Subject to requirements: Roth contributions must be in your account for at least five years and the money withdrawn after you have reached age 59½, died or been disabled. If a distribution is not qualified, the earnings are taxed as ordinary income and may be subject to early withdrawal penalties.

4 After-tax contributions are subject to an annual plan maximum contribution limit.

5 Eligible employer plans include: qualified plans (e.g., 401(k), governmental 457(b) and 403(b) plans). Roth contributions can only be rolled over to another designated Roth account or to a Roth IRA.

6 If you are still employed with the employer who sponsors the plan or if you are less than a 5% owner of the business sponsoring the plan, you may not be required to take a minimum distribution. The RMD age is 70½ for individuals who turned 70½ on or before December 31, 2019. The RMD age is 72 for individuals who turn age 70½ after December 31, 2019. Refer to your plan provisions for more information.
